Dear Customer,

A number of our suppliers have advised us of forthcoming changes in pricing for their products, which will be effective from the dates stated below.

We make every effort not to increase costs but we have no option but to pass these price increases on in full for all orders delivered on or after the below dates.

Please also be aware that whilst we endeavour to notify you of all significant increases in advance of the increase date, we may be informed of and apply increases which are not listed below because the supplier notified us too late for inclusion in this letter.

**October Increases:** Effective for all deliveries on or after the date specified below

Supplier	Product / Range	Avg Increase	Date Effective
Youngman	Ladders & Accessories	16-20%	01/10/2023
Bostik	Cement Based Products	5-10%	01/10/2023

#### **Important Note**

Due to the introduction of DCPL levy concrete products included in the government list increased by 4-5% from 01/09/2023. Suppliers include:

- Kilsaran
- Tobermore
- Mannok
- Acheson & Glover

Prices for specific products that are affected by the changes will be available from your local branch.

Thank you for your custom and support, and we look forward to working with you in the future.

Yours Sincerely
